ACCOUNTABILITY (continued)

Following the annual publication of the API and school rankings by the Superintendent of Public Instruction, the Board shall, at a regularly scheduled meeting, discuss the results of each school's annual ranking. (Education Code 52056)

This discussion shall include an examination of scores from the Standardized Testing and Reporting (STAR) program, by school, grade, and student subgroup, including disaggregated data based on socioeconomic status, race/ethnicity, enrollment in special education, English proficiency, and gender.

(cf. 3553 - Free and Reduced Price Meals)

Evaluation results may be used as a basis for identifying and developing strategies to address disparities in achievement among student subgroups, implementing programmatic changes, determining the need for additional support or assistance, awarding incentives or rewards, and establishing other performance-based consequences.
